

MAHAWELI REACH
SRI LANKA

Our Commitment

At Mahaweli Reach we are committed to conserve and responsibly manage our natural resources by implementing proactive measures to minimize our impact on the environment, whilst positively contributing to the community in which we operate and maintaining the quality of service expected by our guests.

Our environmental policy

Monitor performance and aim for continued improvement by minimizing the use of energy ,water and through proper waste management.

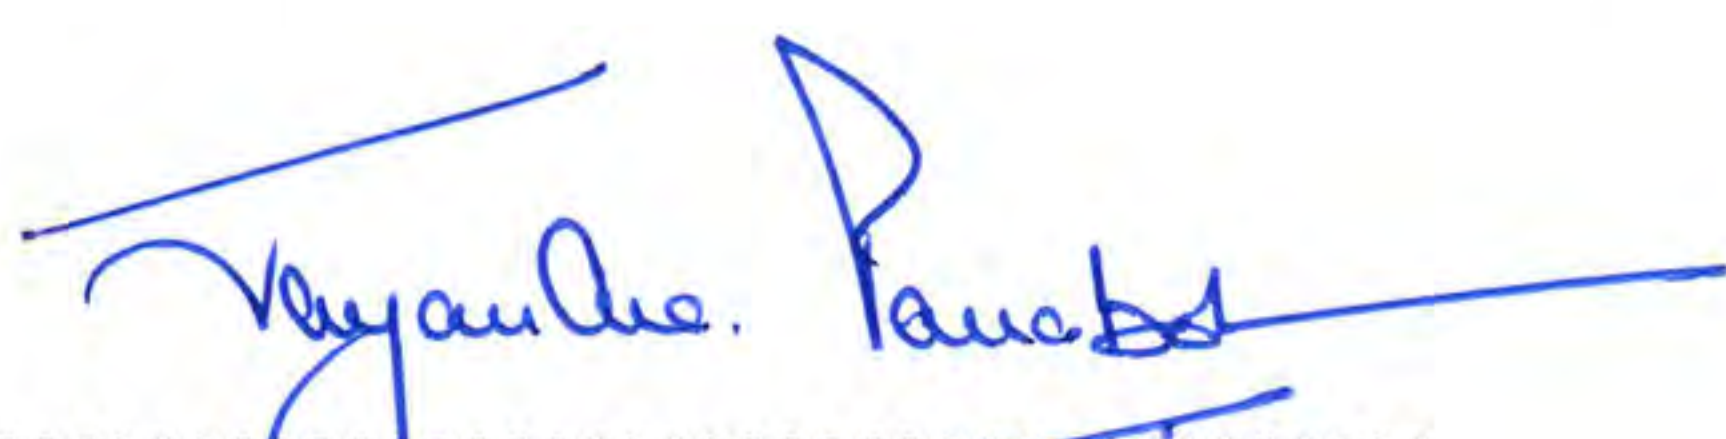

Carry out continuous awareness programmes, amongst staff and guests to ensure total commitment to the environment.

We strive to purchase environmentally friendly equipment and resources from our suppliers.

We commit to making wide ranging social contributions in close partnership with local communities by supporting environment conservation initiatives.

Comply with relevant environmental legislation and other requirements with a proactive approach towards fulfilling our obligations as an environmentally responsible organization.

Demonstrate our commitment to continual improvement and prevent environmental pollution.
